Addressing both Your needs...

Homeowners

When it comes to appearance, the Pinnacle has no equal. Our Pinnacle Plus models are made from aluminum plate 3/16" thick, making them *dent proof* and *baseball bat resistant*. This is 3 times thicker than most other locking mailboxes.

Three reasons that make The Pinnacle Mailbox the "best" locking mailbox are *Security, Durability, and Affordability*.

Features

Security

- Security flap keeps incoming mail secure, and you keep the keys.
- Large enough to hold several days of mail without overfilling.

Durability

- All reinforced aluminum construction makes the **Pinnacle 100% Rust Free**.
- Environmentally safe powder coat finish protects color for years.

Affordability

Prices range from \$129 to \$219.

Postmasters

The Pinnacle mailbox was designed using mail carriers' input to ensure easy mail delivery and compliance with postal regulations, as well as to keep incoming mail secure.

Several key features have been addressed to make a mail carrier's job easier.

- Only locking mailbox capable of accepting a full bundle of mail in one motion.

- Largest drop chute of any mailbox in its class, allowing even a phone book to pass through.
- The large storage area allows the Pinnacle to accept several days worth of mail at once.

"Your security. Your peace of mind. These are what we continually strive for."
